SEVEN CALLS. ONE CONTAINER.

Slide 1 / 10-second motion storyboard

00:00–00:01.30

ONE CONTAINER

The exact title is present from frame one. A single blue container is the hero object; ART enters with the tablet.

00:01.30–00:02.40

FIRST CALLS

ART stops to check the tablet. Numbered 3D handsets begin to land around the same container.

00:02.40–00:04.60

THE CHASE GROWS

More handsets appear around the container, building a visible count without seven floating text cards.

00:04.60–00:05.65

SEVEN ON ONE

The seventh handset lands. All seven calls are readable at once, visually tied to one container.

00:05.65–00:06.75

ART REACTS

Only after the seventh call, the same 3D ART mascot changes into the stressed pose with a short recoil.

00:06.75–00:10.00

READABLE HOLD

The original supporting copy fills the clear left margin. The title, seven handsets, one container and mascot remain visible.
